

FCARC 6 Meter Net Script

Net date/time:

This FCARC net meets once a month on 52.550 MHz. Typically, the net meets on the 3rd Tuesday of the month at 8 pm, which is the day following the club meeting. If the meeting happens to be scheduled on a Tuesday, such as in January, then this net will meet on Monday.

At 8:00 pm:

Calling net: Calling the Fox Cities Amateur Radio Club 6 meter net. Calling the FCARC 6 meter net. This is (call sign) (name) in (city). I will be your net control station this evening.

This net meets at 8 pm once a month, typically on the 3rd Tuesday of the month on 52.550 MHz in FM simplex mode.

This semi-formal net is open to all amateurs interested in 6 meter operating. The purpose of this net is to be active on 6 meters and enjoy some rag chewing.

Is there any emergency traffic? If so, please call (call sign).

Check ins: I will now take check-ins. When you call net control, please give your call sign and name. Stations now wishing to check in, please call (call sign).

- Acknowledge check-ins (allow time and account for possible doubling of signals)

Round 1: We will now have a **second go** from all stations that checked in. **This is open mike**. Please share your comments or questions.

Round 2: After second goes have been completed, the NCS may ask a **question of the evening**, and then go back to each station for their comments on the topic.

Round 3: Next open up for **rag chewing** comments, and let the net run until the comments begin to wane.

Net closing: We will now close the FCARC 6 meter for the evening. Thanks for your participation.

You are welcome back with comments on Tuesday (month/date) at 8 pm. (Name) (call sign) will be net control. We will send an email reminder to all in advance. 73 and have a great week! This is (call sign) now closing down the FCARC 6 meter net.
