FCARC MONTHLY 70 CM NET PREAMBLE

Black text is read on the air. Red text is information

CQ, CQ, CQ welcome to the FCARC 70 cm net. This is (name, call) net control station for this evening's net.

This net meets every 4th Tuesday evening at 8 pm local time on the FCARC's 443.650 repeater. The repeater has a negative offset and a PL tone of 100.0 Hz

Unkey microphone and pause to reset the repeater.

The purpose of this net is to ....

"Promote good fellowship among amateur radio operators"

"Encourage the use of good operating procedures"

"Improve communication skills"

"Share technical information and comments, and utilize the 443.650 repeater"

Tonight's net consists of the following parts-

Part 1 is check-ins beginning with portable, mobile, and short time stations followed by all other stations. All hams are encouraged to check-in by calling net control and then un-keying to be sure you are not doubling with another station.

Unkey microphone and pause to reset repeater

Part 1 – Check-Ins)

This is (Call sign) your net control for tonight's net. Starting with portable, mobile, or short time stations please call net control, then unkey before clearly and slowly stating your call sign, name and location. At this time I will stand by for check-ins.

NOTE IF ANYONE HAS TRAFFIC.

Create a list of stations that have checked in.

This is (call) your net control for the FCARC 70 cm net. I will stand by for all stations. Please call Net Control.
Repeat the prior procedure NOTING IF ANYONE HAD TRAFFIC

If anyone has traffic, **allow anyone with traffic to state it at this time**.

Break for Reset

Part 2 – Second Goes
At this time we will move on to Second Goes. We'll start at the top of the list with (name, call sign). Go ahead with your second go.

Go down the list in the order they checked in. Encourage them to talk about areas of interest. If there is a short break in the check-ins, pause and check to see if there are any others that want to join the net.

Open Mic 73 Round
At this time, I will go through the list again for a 73 round. Anyone wishing to make additional comments can do so at this time.

(Closing)
If there are no additional comments, I would like to encourage the use of our other repeaters owned and operated by the Fox Cities Amateur Radio club, the 146.760 and 145.330, both with a PL Tone of 100 Hz.

Our meetings are held on the 3rd Monday of the month at the Fox Valley Technical Center, Door 16 (on the north end), room HS114 at 7:00pm. Our web site is www.fcarc.club.

I would like to thank everyone who checked in tonight. I will now return this repeater to normal amateur use. 73 (or similar statement).
